### HOW TO ENTER

1. Take home your DJ Cut Out Kit. Choose your favorite DJ, cut out their caricature, glue/attach it to the wooden paint stick, and take it on vacation with you!
2. Take some epic photos with the DJ Cut Out. Be creative! Remember, the best photo wins! Photoshopped photos are not permitted. All photos must be authentic.
3. Upload your photo to our website at [www.1073wrsw.com](http://www.1073wrsw.com). That's it! (Only one photo per person so be sure to choose the best one!)
4. If you have Instagram, you can upload your photo to your personal Instagram page and tag it with the hashtag #WRSWFamilyVacation. Our system will automatically enter it for you.
5. You only need to enter using ONE of the above methods.
6. If you are Facebook savvy, there is a third option. Each DJ is featured on a "Facebook Frame." This will save you from having to travel with a DJ Cut Out on a stick. Once you've taken a photo with the frame, simply save it to your phone and then follow the upload instructions above. Again, you only need to enter using one method.
7. Be sure to provide a working phone number and email when you enter, that's how we'll contact the winner!
8. Be creative and HAVE FUN with it! Contest ends July 27, 2018.
